

RefreshHR Bill 168 Series

Creating your Bill 168 Violence Risk Assessment

May 27, 2010

8:30 a.m.—12:00 p.m.

Session Agenda

8:30 Registration and Continental Breakfast

9:00 —9:45 Essential elements to include in a violence risk assessment

9:45—12:00 Industry breakout round table discussions focusing on:

- The potential risks of workplace violence that may exist within your industry;
- Determining a list of key questions to assist in your violence risk assessment; and
- Networking with others in your industry to share best practices on how to best conduct the violence risk assessment in your organization.

This workshop gives you the opportunity to sit and discuss Bill 168 with peers in your industry. Industry tables include:

- Manufacturing and Construction
- Healthcare
- Distribution and Warehousing
- Professional and Financial Services
- Retail and Other

What is Bill 168?

Bill 168 is an Act to amend the Occupational Health and Safety Act with respect to violence and harassment in the workplace.

The new legislation imposes significant obligations for employers to develop and implement policies to address workplace violence and harassment, and to assess the risk of violence in the workplace.
